

INTENT TO MINE

Tuttle Road, LLC has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand in South Carolina. A proposed reclamation plan has been submitted indicating the site will be restored to grassland and pond after mining. The proposed mine is located in Berkeley County approximately 6.5 miles southeast of Moncks Corner, South Carolina. Specifically the site is located 1.3 miles west-southwest from the junction of SC Secondary Highways S-8-376 (Alligator Road) and S-8-171 (Withebee Road). The site is located north and adjacent to the junction of Nobel Lane and Tuttle's Road. Comments or inquiries concerning this application should be sent to the attention of Pam Bergstrand, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4236. Comments must be received by the SCDHEC before 5:00 p.m. on May 23, 2008. The proposed mining project is located within the S.C. Coastal Zone and this advertisement serves as notification to the public of the commencement of the S.C. Coastal Zone Consistency review. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
